Greeting!  
So here I am

# *your new pet house*

- ▶ Thanks for letting me be a home for your furry friend(s).
- ▶ They'll be cozy and protected from the weather when they're with me.
- ▶ Just remember to take care of me too, so I can last a long time.
- ▶ When you open the box, you might smell a funny smell.  
Don't worry, it's not dangerous, just let me ventilate on the balcony or in a well-ventilated area for a few days and the smell will go away.
- ▶ Be careful when you assemble because some of my parts can be sharp or heavy. Make sure all the screws are tight during installation and double-check that they're all secure before using me.
- ▶ Please follow the instructions from my maker so your warranty stays good. If you are unsure about the assembly instructions in the manual, you can contact us for an assembly video if you need.
- ▶ Remember to place and use me on a flat surface to make sure it's put together correctly and works well.
- ▶ Keep me away from fire and dangerous chemicals.
- ▶ Clean me with a damp, soapy sponge without corrosive agents.
- ▶ Dry me with a soft, clean, dry cloth.
- ▶ Do not clean me with high pressure.
- ▶ Do not put bleach, acids, solvents, or abrasive cleaners on me.
- ▶ Check that all my bolts, screws, and knobs are tight every 90 days.
