# ULTIMATE FINISH™ 25

FOR ALL HORSES

EXTRUDED FAT SUPPLEMENT

## Benefits of Fat

Fat has the highest energy content of all energy sources. There are many factors to consider when choosing your fat supplement including palatability, digestibility and fatty acid content. There has been extreme focus in research on the benefits of feeding fat for performance. Results have proven that feeding fat reduces stress and excitability due to changes in the circulating levels of insulin and cortisol, allowing the owner to benefit from improved performance from a more controlled, less excitable horse.

## Features & Benefits

- ▶ **ULTIMATE FINISH™ 25 increases weight gain and body condition for training, competition, conditioning and sales prep**
- ▶ **ULTIMATE FINISH™ 25 is a calorie-dense supplement that reduces the need for additional grain as a calorie source**
- ▶ **ULTIMATE FINISH™ 25 is nutritionally balanced in protein, minerals and vitamins to complement the total diet**
- ▶ **ULTIMATE FINISH™ 25 reduces excitability for a more controlled performance**
- ▶ **ULTIMATE FINISH™ 25 contains a blend of vegetable oils from flaxseed, rice bran and heat-processed soybeans**

Product No. 32440

\*Not recognized by AAFCO as an essential nutrient.

► Digestible high-fat supplement

► 25% fat from flaxseed, rice bran and soybeans

► Promotes brilliant skin and hair coat

### FEEDING DIRECTIONS

Start adding ULTIMATE FINISH™ 25 to the ration very slowly (0.25 lb daily) and work up to the needed amount, not exceeding 3 lb per day. If additional calories are needed and the maximum amount of ULTIMATE FINISH™ 25 is being fed, switch to ULTIMATE FINISH™ 40 or 100.

### FEEDING GUIDE

Condition/Usage	PER 1,000 LB BODY WEIGHT
For increased weight and/or body condition	Add 0.50 - 3.00 lb daily
For improved skin and coat condition and shine	Add 0.25 - 0.50 lb daily

Provide clean, fresh water at all times.
