Instructions

- 1 Place treats in each of the 3 levels of the puzzle.
- 2 Close the compartments.
- 3 Place the puzzle on the floor. If your dog is new to puzzle toys, help them find a few treats to get them started!

Hint: To increase or decrease the puzzle's difficulty, flip the puzzle over and adjust the outer ring of screws with a Phillips head screwdriver. The looser the screws, the easier the yellow sliders move.

Care Instructions

Top rack dishwasher safe. Can also be hand washed with gentle soap and water, rinse clean and dry. Do not use any harsh chemicals or alcohol.
