

# WATERPROOF PET SEAT COVER

---

## INSTRUCTIONS:

- **Place item over the backseat of your vehicle with the adjustable straps over** their respective head rest as shown on the illustration.
- Adjust the straps as needed to bring the item up as close to the head rest as possible to cover the back seat.
- The item is equipped with slits for the backseat belts. Simply unfasten the hook & loop fasteners and pass the seat belt through the opening on one side and secure through the opening on the opposite end. This will help keep the item in place.
- The item includes a zipper on the center lower part of the item. The zipper is to be used to properly fit the item if your vehicle is equipped with bucket seats.

## CLEANING INSTRUCTIONS:

- Hand wash only.
- Do not bleach.
- Air dry only. **DO NOT DRY IN FULL SUN.**
