# PARTS LIST

Check that you have all the parts shown BEFORE assembling your product.  
If any parts are missing, call Customer Service.

Risers

Dowel

Middle and  
Bottom Stairs

labeled "For Pets Only"

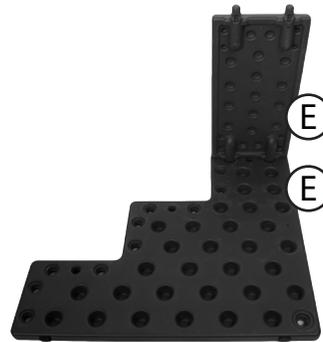

# ASSEMBLY INSTRUCTIONS

## Step 1

With rubber grippers on the bottom, place left panel on floor with **PET GEAR** Logo facing the floor. Match up letter (E) on panel and stair, then insert top stair.

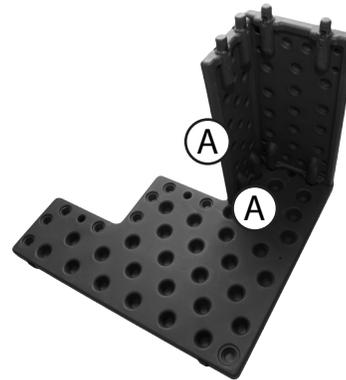

Make sure there are no gaps between parts after inserted. (If inserting part is difficult put a little dish soap on doweled end before inserting.)

## Step 2

Match up letter (A) on panel and riser, then insert riser.

Make sure there are no gaps between parts after inserting.

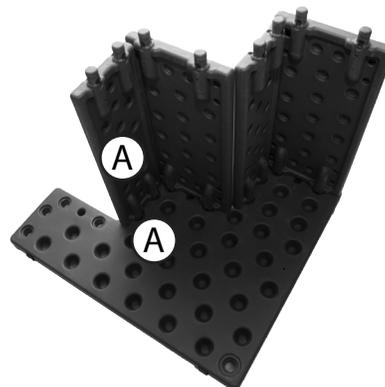

## Step 3

Match up letter (C) on panel and stair, then insert middle stair. Make sure there are no gaps between parts after inserting.

## Step 4

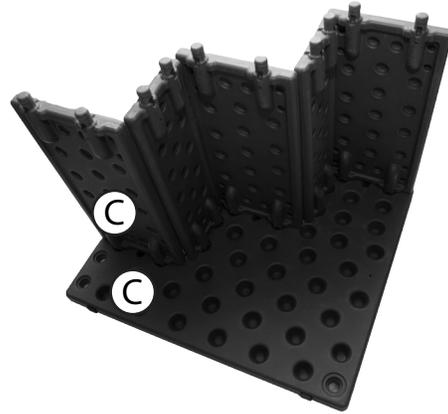

Match up letter (A) on panel and riser, then insert riser. Make sure there are no gaps between parts after inserting.

# ASSEMBLY INSTRUCTIONS

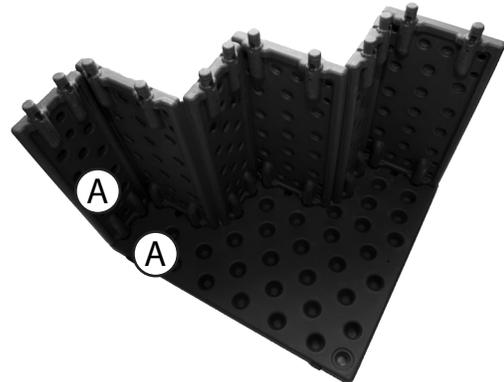

## Step 5

Match up letter (C) on panel and stair, then insert. Make sure there are no gaps between parts after inserting.

## Step 6

Match up letter (A) on panel and riser, then insert. Make sure there are no gaps between parts after inserting.

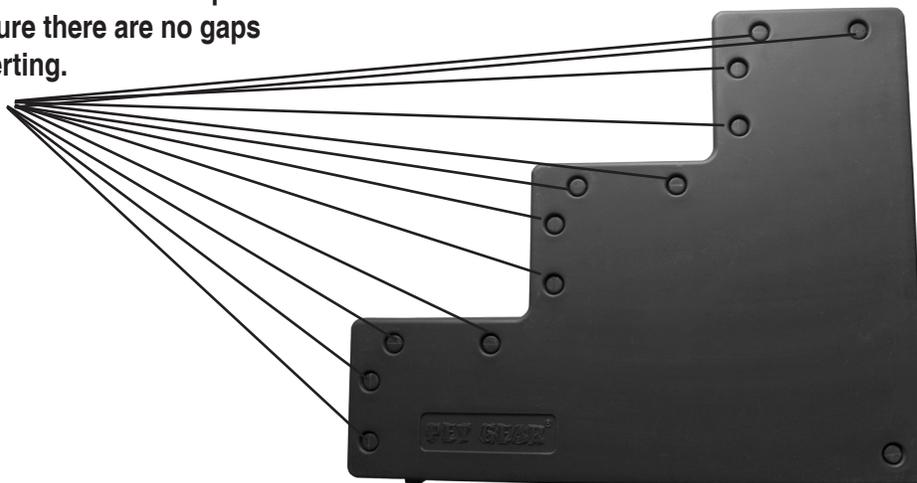

## Step 7

Insert dowel. Make sure there are no gaps between parts after inserting.

## Step 8

Attach right panel. Align all holes before pushing panel down. Make sure there are no gaps between parts after inserting.

## **WARNING!**

### FOR PETS ONLY.

Not intended to be used as a restraining device for aggressive or dangerous animals that dig, chew or paw aggressively. Do not leave your pet unattended. **PET GEAR** is not liable for any damage caused by aggressive, destructive, immature or untrained animals. Do not use near an open or exposed flame. Failure to follow these warnings and the instructions could result in serious injury or death.

## **REPLACEMENT PARTS**

Use only **PET GEAR** replacement parts.

Please have your model number ready before calling.
