# Adjustable Elevated Double Stainless Steel Bowls Instruction Manual

## PARTS INCLUDED

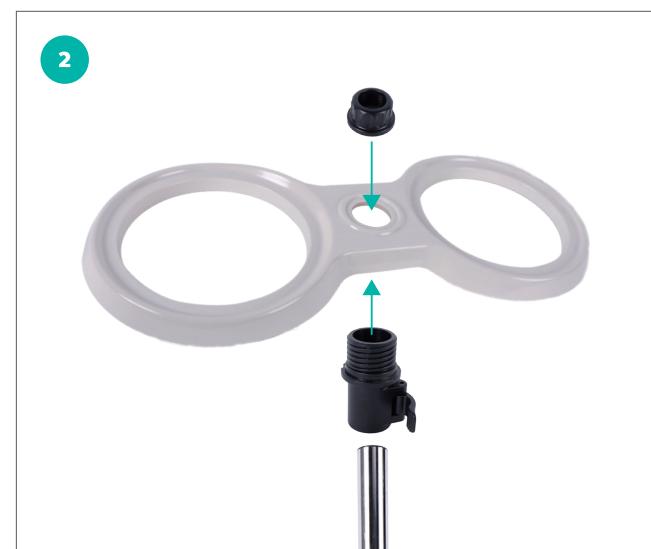

## ASSEMBLY INSTRUCTIONS

### STEP 1 - BUILD THE BASE

- Fit and secure the bottom height adjuster onto the support rod.
- Attach the base to the bottom height adjuster with 1 washer and 1 nut. Tighten by hand.

### STEP 2 - ATTACH THE BOWL RACK

- Fit and secure the top height adjuster onto the support rod.
- Attach the bowl rack to the top height adjuster with 1 nut. Tighten by hand.

3

### STEP 3 - FINISH AND ADJUST

- Place the stainless steel bowls into their slots in the bowl rack.
- Use the top height adjuster to find the right height for your dog.

## FEATURES

- Easy-to-assemble, adjustable double-diner design elevates their food and water bowls
- Height ranges from 7.8" to 21" to help you find the right fit for dogs of all breeds, sizes and ages
- Anti-slip feet keep the bowls stable, reduce spills and protect your floors from scratches
- Parts coated with a high quality melamine finish that's easy to clean and break-resistant
- Includes two 56-ounce stainless steel bowls with silicone rings to keep them in place

## CARE INSTRUCTIONS

- Stainless steel bowls are top rack dishwasher safe
- Hand wash or wipe other parts with wet cloth
- Let parts and bowls air dry after washing

## WARNINGS AND CAUTIONS

- Set up and use the product on a flat, level surface to ensure stability and reduce the chance of spills
- Never force parts as this may result in damage to the product
- Not microwave safe
