Step 1.

Please lift open to find all the parts. After all the parts are taken out, press down the hook-and-loop firmly on the back panel to form the condo before assembly.

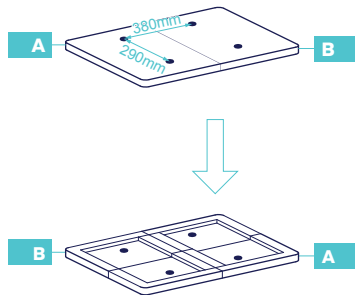

Step 2.

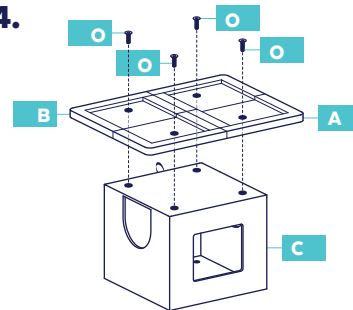

Unfold the base boards.

Step 3.

Place base boards fabric side down.

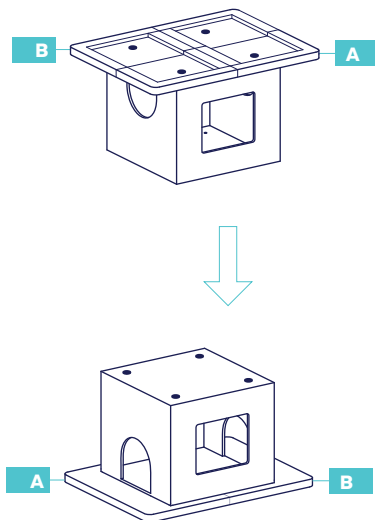

Step 4.

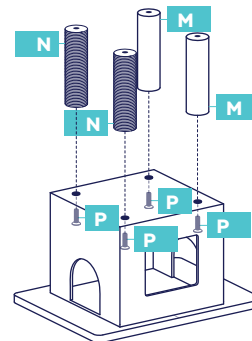

For easier assembly, use the wrench key to locate and align the 4 holes between base board and the square condo. Loosely attach each screw without completely tightening, repeat for all 4 screws. Then, tighten all 4 screws.

Step 5.

Please turn back to upright position.

Wall Mounting Kit (optional)

NOTE: The included wall anchor strap can be installed to help prevent the tree from tipping over and causing injury to people or pets. Install the straps snugly to the wall at the feasible location.

Warning & Cautions

Please read and follow all warnings and instructions to avoid pet injury or property damages.

This cat tree is intended for single cat use only, please keep children away.

Keep all small parts away from children / pets to avoid choking hazards.

Keep all tools and instructions in a safe place for future reference.

Follow the instructions carefully and make sure you've completed each step.

Never climb, rock, shake, step or hang on the cat tree.

Place your cat tree indoors, away from direct sunlight or damp areas.

Cat trees should be placed on a flat, level surface for stability.

Check your cat tree often for loose screws or parts that might need re-tightening.

If your cat tree gets torn or damaged, please discard it.

The product photo may vary slightly from your fully assembled cat tree as this product is continually being enhanced.

Cleaning & Instructions

Spot clean stains and vacuum fur (using small handheld or attachment) when necessary.
