

# Potted Succulent Cat House & Scratcher

CW-10277

06/19/23 V2

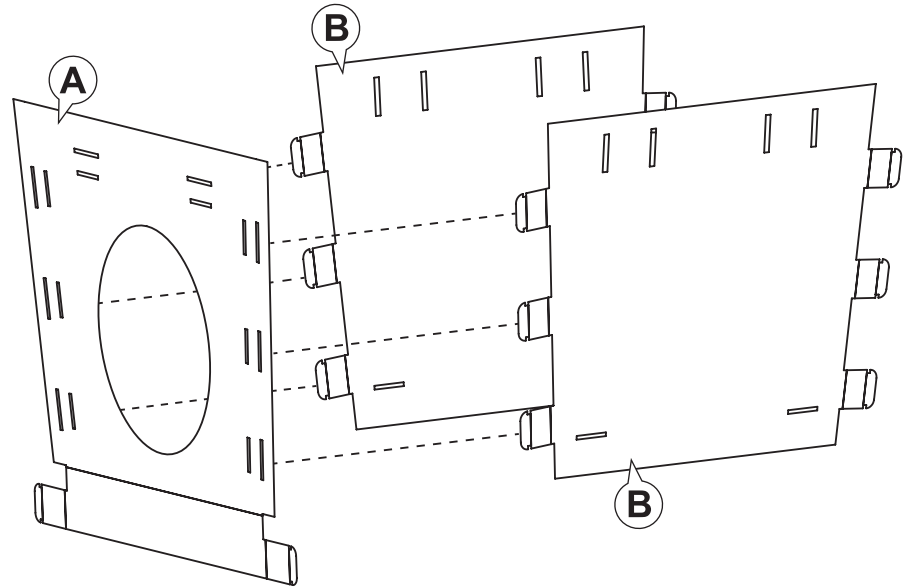

## Completed Item

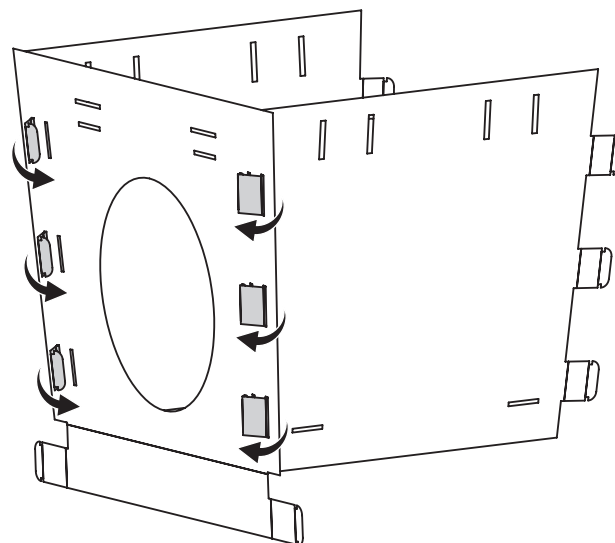

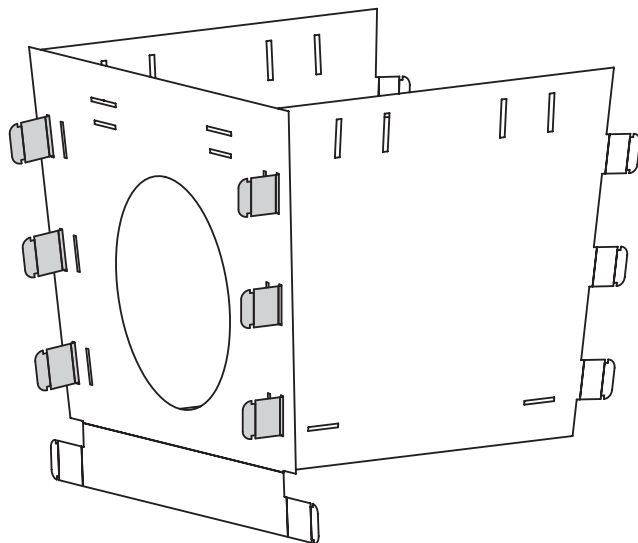

## Step 1

Assemble one **Panel (A)** and both **Panels (B)** as pictured below. Insert the tabs of **Panels (B)** through the large slots in panel **(A)**.

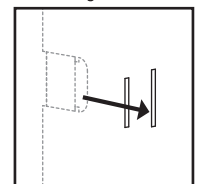

## Step 2

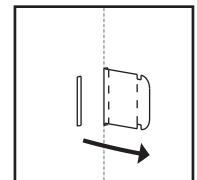

Fully insert tabs into **Panel (A)**, then wrap the tabs around and insert into the small slots as detailed below.

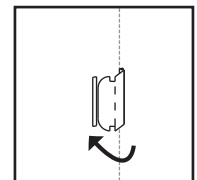

Line up tab with large slot.

Push completely through.

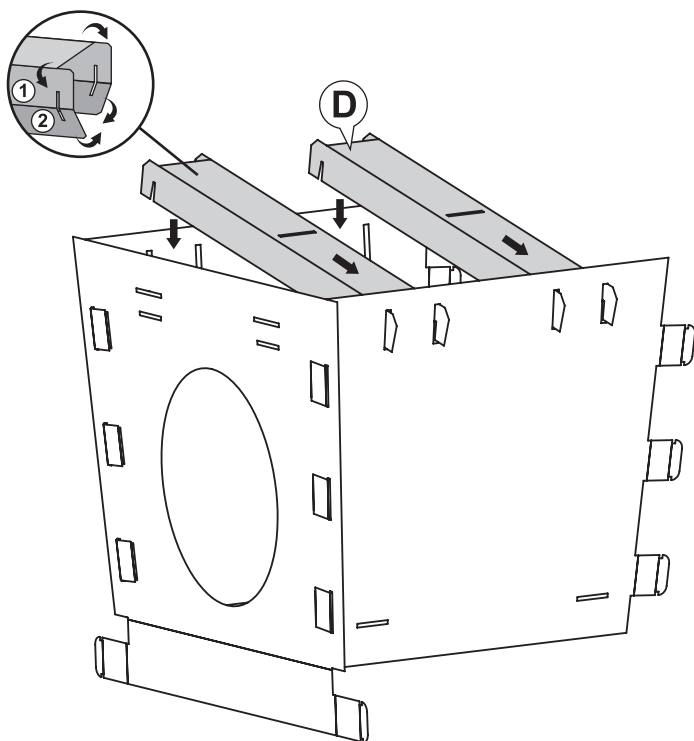

Fold front and insert tab into small slot.

### Step 3

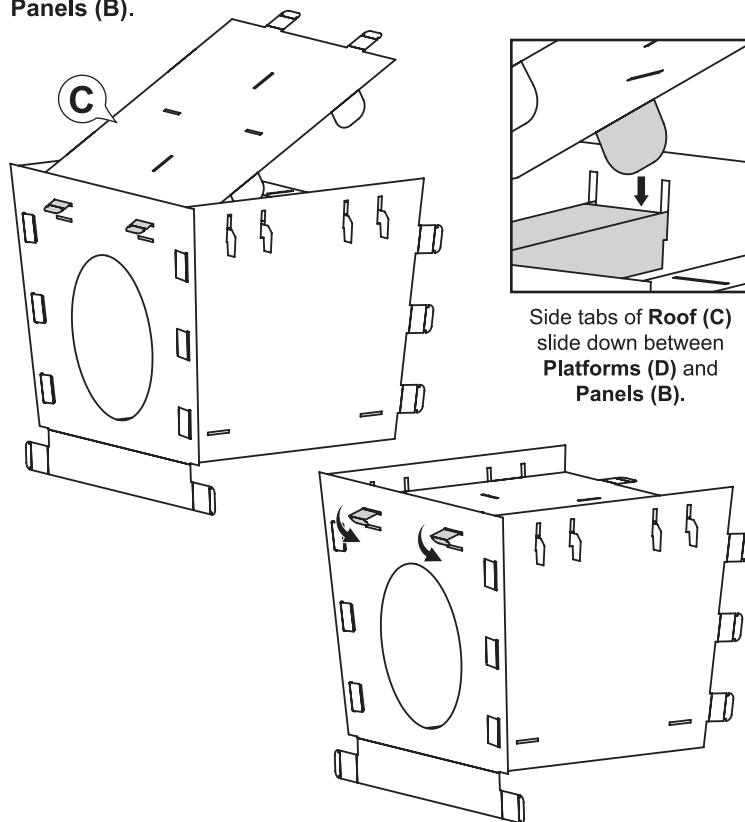

Fold **Platforms (D)**, and while holding tight, insert into slots on top of **Completed Panels** as shown.

Fold over **Panel (1)** and then fold **Panel (2)** underneath it.  
**Hold Closely Together.**  
Repeat on other side.

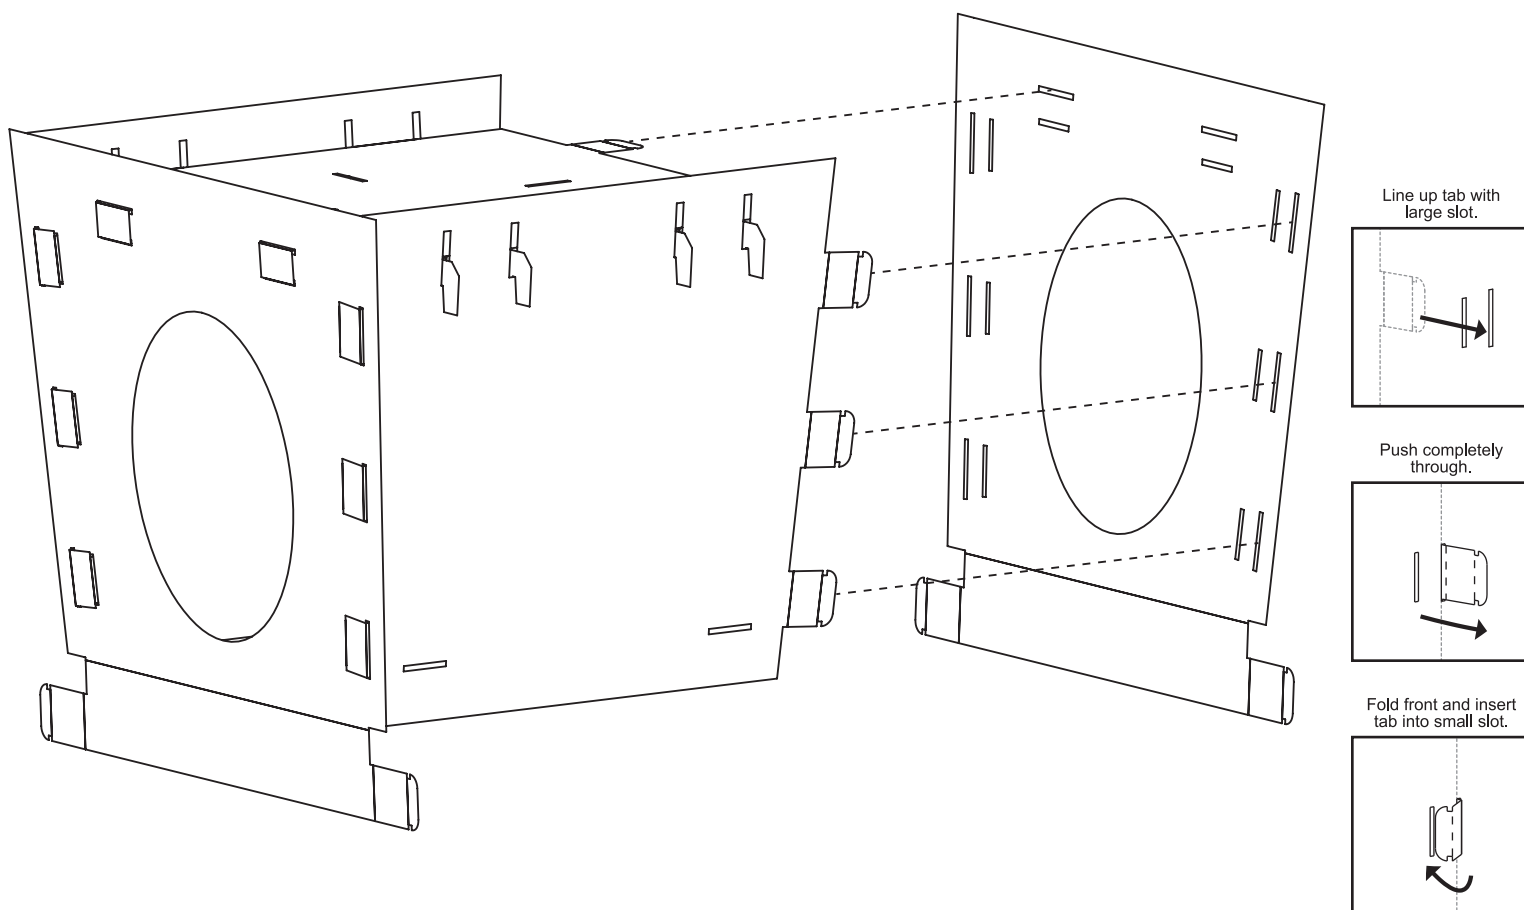

### Step 4

Fully insert front tabs of **Roof (C)** into the large slots of **Panel (A)**, then wrap the tabs around and insert into the small slots as detailed below. Side tabs of **Roof (C)** slide down between **Platforms (D)** and **Panels (B)**.

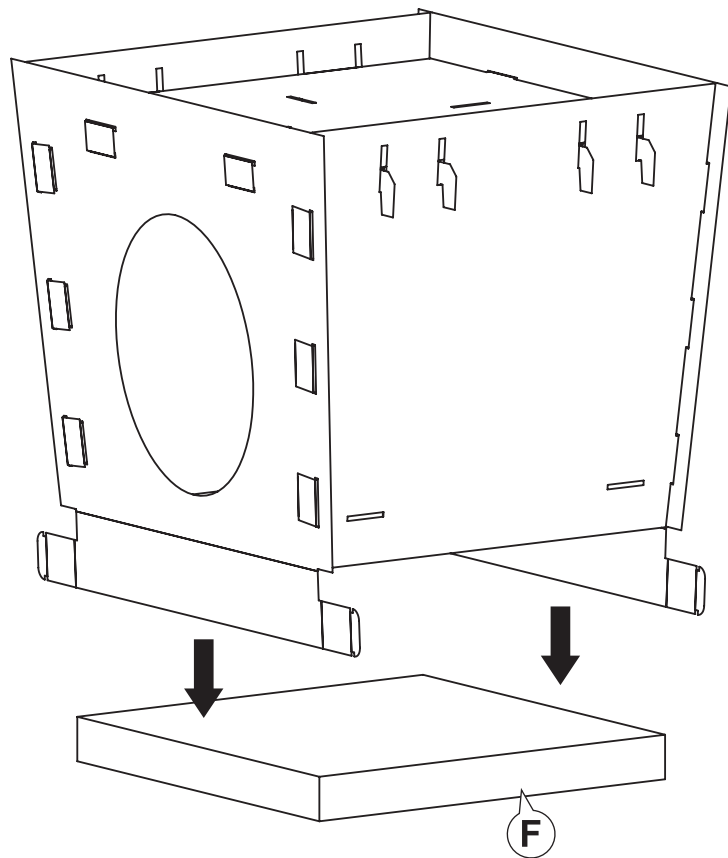

### Step 5

Fully insert tabs of **Completed Panels** into the large slots of second **Panel (A)**, then wrap the tabs around and insert into the small slots as detailed below.

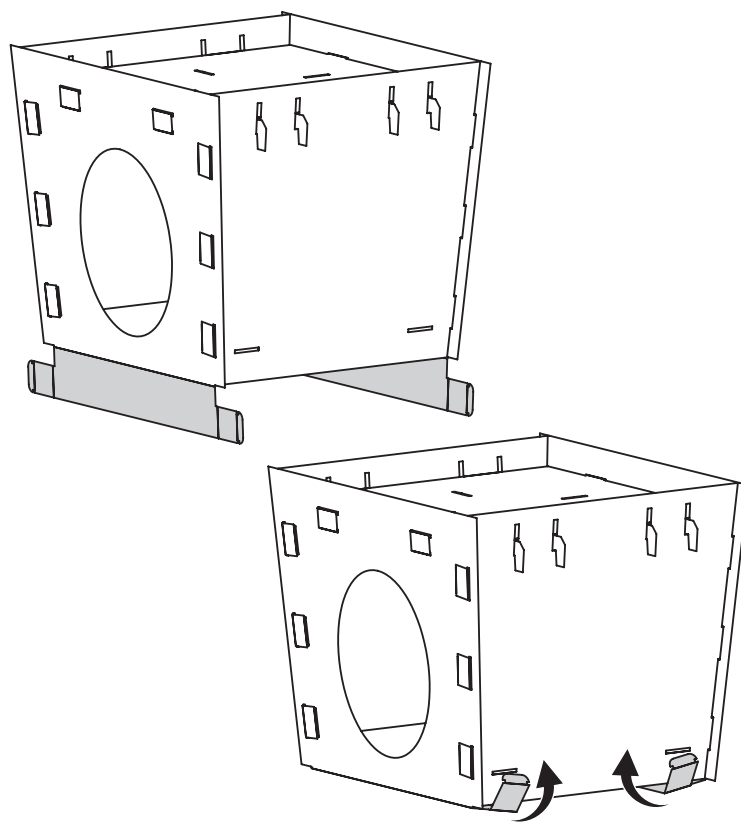

### Step 6

Place **Combined Panels** over **Scratcher (G)**.

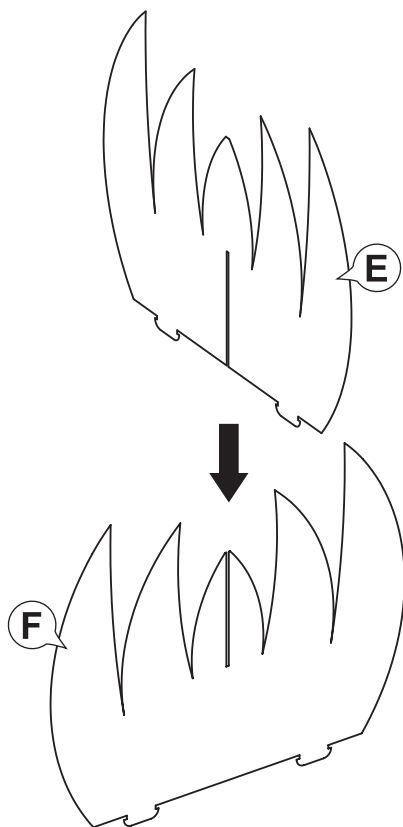

### Step 7

Fold bottom flaps of **Panels (A)** under **Scratcher (G)**. Fold front and back tabs up, and insert into the slots of **Completed Panels** as pictured below.

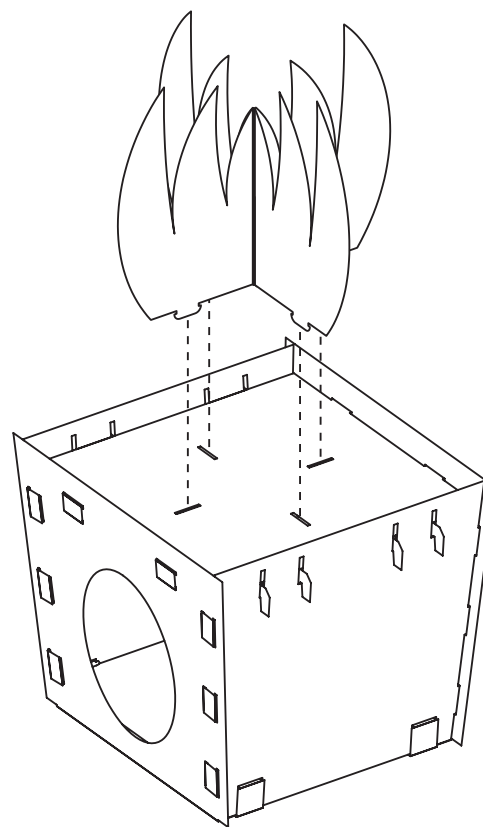

### Step 8

Insert **Plant (E)** into **Plant (F)** and push downward to lock in place.

### Step 9

Attach completed plant to roof by inserting tabs into slots on roof.

Because every cat is different, it is important to monitor your cat's behavior with this product. If at any time your cat damages this item, or any portion of this item becomes damaged, remove the damaged portion or discontinue use of the product.
