### COMPONENTS

Prior to assembly, be sure to identify and sort all components shown below.

Post Cap

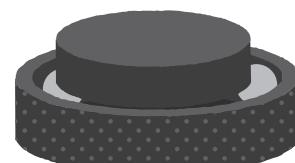

Curved Poles

Screw

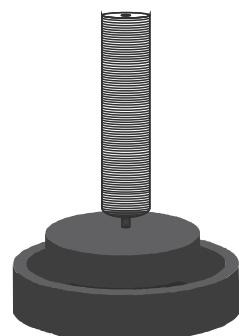

Sisal Post

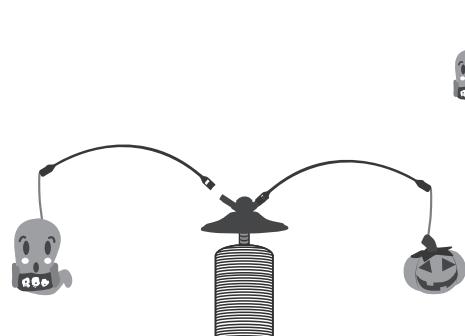

Cardboard Base  
(with included balls)

### ASSEMBLY INSTRUCTIONS

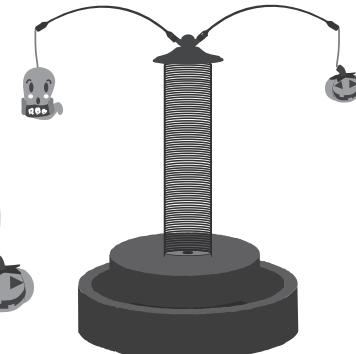

**Step 1:** Locate the included screw and twist it into the cardboard base until you begin to feel slight friction. Then, attach the sisal post to the screw and twist until secure. Be careful not to overtighten the sisal post.

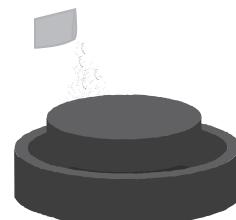

**Step 2:** Screw the post cap onto the top of the sisal post. Then attach the two curved poles with dangling toys onto the post cap as shown. Make sure the poles are curved up and over, so that they spin around the cardboard base.

**Tip:** Make sure the curved poles are assembled as pictured below, so that they spin around the cardboard base.

**Final Touches:** Add a sprinkling of catnip and your cat is ready to play!
