Nuthatch	•	•				•	•
Towhee	•		•			•	•
Sparrow	•	•	•	•		•	
Titmouse	•			•		•	
Woodpecker	•				•	•	•

Turn your backyard into a natural habitat for birds by feeding them year-round. A plentiful supply of Pennington's vitamin enriched bird food will attract newly hatched birds, as well as many other varieties of seasonal migrating birds. Fresh seed, a clean feeder, and a constant supply of clean water are preferred by birds. To attract a wider variety of birds, use multiple feeders placed in different locations in your yard. This helps ensure that all birds are able to feed.

WE RECOMMEND THESE PENNINGTON® BIRD FEEDERS

EARTH SMART™ RECYCLED ECOZEBO™
Pennington® Earth Smart™ bird feeders are made with recycled plastic and are Made in the USA

PENNINGTON® CEDAR NATURE'S FRIEND
Pennington® cedar bird feeders are made in the USA in an Amish factory exclusively for Pennington. They are made from Premium Aromatic Eastern Red Cedar; a renewable resource that is naturally weather and insect resistant.

NUTRITIONAL INFORMATION

GUARANTEED ANALYSIS

ABOUT THE CORNELL LAB OF ORNITHOLOGY

The Cornell Lab of Ornithology

Pennington strongly supports the Cornell Lab of Ornithology, a world leader in the study, appreciation and conservation of birds. The Cornell Lab uses science to understand the world, find new ways to make conservation work and to involve people who share the passion of birding.
