UnCanny™ is a nutrient rich blend of ingredients designed to complement Wysong Archetype™ and/or a raw meat meal.

1. Scoop out the desired amount of UnCanny™ into a bowl. ½ cup is a good starting point for a meal.
2. Add about ¼ cup of Wysong Archetype™ (Chicken, Quail, Rabbit or Pollock formulations), or your own home prepared meats.
3. Add approximately ½ cup warm water (not above 118°) and let stand for a few minutes to thicken. More water will create more gravy or broth.
4. Stir and serve.
5. Leftovers should be sealed, refrigerated, and reused within one day.
