INSTRUCTIONS

You will be assembling two separate sets of stairs for our Easy Step Bed Stairs.
The 3-step and the 2-step.

PARTS LIST FOR 2-STEP

Check that you have all the parts shown BEFORE assembling your product.
If any parts are missing, call Customer Service.

with Straight Edge

with Curved Side

ASSEMBLY INSTRUCTIONS FOR 2-STEP

Step 1

Place right panel, part (B) on floor with **PET GEAR** Logo facing the floor and insert top stair, part (E).

Keep the STRAIGHT EDGE toward the back and rug facing the top. Make sure there are no gaps between parts after inserting.

(If inserting part is difficult put a little dish soap on doweled end before inserting.)

Step 2

Insert riser, part (C). Make sure there are no gaps between parts after inserting.

Step 3

Insert bottom stair, part (F). Note the CURVED SIDE direction. Make sure there are no gaps between parts after inserting.

Step 4

Insert riser, part (C). Make sure there are no gaps between parts after inserting.

ASSEMBLY INSTRUCTIONS FOR 2-STEP

Step 5

Insert dowel, part (D). Make sure there are no gaps between parts after inserting.

Step 6

Attach left panel, part (A). Align all holes before pushing panel down. Make sure there are no gaps between parts after inserting.

PARTS LIST FOR 3-STEP

Check that you have all the parts shown BEFORE assembling your product.
If any parts are missing, call Customer Service.

WARNING!

FOR PETS ONLY.

Not intended to be used as a restraining device for aggressive or dangerous animals that dig, chew or paw aggressively. Do not leave your pet unattended. **PET GEAR** is not liable for any damage caused by aggressive, destructive, immature or untrained animals. Do not use near an open or exposed flame. Failure to follow these warnings and the instructions could result in serious injury or death.

REPLACEMENT PARTS

Use only **PET GEAR** replacement parts.

Please have your model number ready before calling.
